TIPS FOR TEACHING PARENTS

Think on the truth of these lines:

*To teach is not alone to tell
A thing or two or say it well,
And knock into the denser pates
A repertoire of facts and dates.*

*To teach is not alone to curb
Unruly youths who school disturb
And make out reports, hand out grades
And deal with pupils as with shades.*

*To teach? It is to reach, to find
The hidden laws of growing minds:
In boy to see the coming man,
Then shape him to the splendid plans—
THIS IS TO TEACH.*
