Teen Thought

If you had to give up one of your senses, which one would you choose? How would that limit your activity? What's the worst pain you've ever experienced? Relate this to how Christ must feel when we tear apart His body.

Tips for Teaching

Talk about how the physical body works, then show the church is a body and point out that they have to do their part for it to work properly. Teachers may want to do an exercise of blindfolding one student, putting ear plugs on another, covering one's nose, etc. to illustrate the point this week. (May be able to utilize Mr. Potato Head)
