

# MEMORIAL DAY

REMEMBER THEIR SACRIFICE

The image features a composite background. On the left, a portion of the Earth is visible, showing blue oceans and white clouds. To the right of the Earth, a bright sun is depicted with numerous rays emanating from it, creating a lens flare effect. The entire scene is set against a deep black space background filled with small, distant stars. Overlaid on this background is the text "What is the meaning of life?" in a large, white, sans-serif font. The text is centered and has a subtle drop shadow to make it stand out against the darker parts of the image.

**What is the  
meaning of  
life?**

A high-contrast, artistic rendering of Earth from space. The planet is shown as a large sphere, with the sun's rays creating a brilliant, multi-colored glow (yellow, orange, red, and blue) along the horizon line on the left side. The rest of the planet is in deep shadow, revealing dark blue oceans and dark, swirling cloud patterns. The background is a vast, dark expanse of space filled with numerous small, distant stars.

**Why are we  
here?**

A dramatic view of Earth from space, showing the horizon and a bright light source creating a lens flare effect. The Earth's surface is visible with blue oceans and dark landmasses. The text "Why do I exist?" is overlaid in white, bold, sans-serif font.

**Why do  
I exist?**

A dramatic view of Earth from space, showing the curvature of the planet and the blue oceans. The sun is visible on the left, creating a bright glow and lens flare effect. The text "Does God exist?" is overlaid in a large, bold, yellow font. The word "God" is italicized.

**Does *God*  
exist?**

If God does *not*  
exist  
nothing *really*  
matters

If God *does*  
exist  
nothing *else*  
matters  
*as much.*

**Without  
Excuse**

***Everyone knows  
God exists***

God has  
*revealed*  
himself

For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who by their unrighteousness suppress the truth. For what can be known about God is plain to them, because God has shown it to them.

**Romans**  
**1:18-20**

For his invisible attributes, namely,  
his eternal power and divine  
nature, have been clearly perceived,  
ever since the creation of the world,  
in the things that have been made.

So they are **without excuse.**

Yet **he did not leave himself without witness**, for he did good by giving you rains from heaven and fruitful seasons, satisfying your hearts with food and gladness.

**Then why don't  
people believe**

**?**

God has  
*revealed*  
himself

God has  
***“hidden”***  
himself

**This allows

People  
*suppress*  
the truth

by their unrighteousness

**suppress the truth.**

For what can be known about God is plain to them, because God has shown it to them....

**Romans**  
**1:18-19**

For **although they knew God**,  
they did not honor him as God or give  
thanks to him, but they became futile  
in their thinking, and their foolish  
hearts were darkened. Claiming to be  
wise, they became fools...

**Romans**  
**1:21-23**

because they **exchanged the truth about God for a lie** and worshiped and served the creature rather than the Creator, who is blessed forever!  
Amen.

**Romans**  
**1:25**

And since **they did not see fit to acknowledge God**, God gave them up to a debased mind to do what ought not to be done.

**Romans**  
**1:28**

Though **they know** God's righteous decree that those who practice such things deserve to die, they not only do them but give approval to those who practice them.

**Romans**  
**1:32**

We must  
*present*  
the truth

but in your hearts honor Christ the Lord as holy, always being prepared to **make a defense** to anyone who asks you for a **reason** for the hope that is in you; yet do it with gentleness and respect,
