# ACTS 17:24-27

“The God who made the world and everything in it is the Lord of heaven and earth and does not live-in temples build by human hands. And He is not served by human hands, as if He needed anything. He Himself gives everyone life and breath and everything else. From one man He made all the nations, that they inhabit the whole earth; and **He marked out their appointed times in history and the boundaries of their lands, God did this so that they would seek Him and perhaps reach out for Him and find Him,** though He is not far from any of us.”
